213807

The students are kindly invited to carry out self-study practice in order to get, at least, a basic B2 level (CEFR, 2001, 2020). They are also invited to check the descriptors for the B2 Level on the Council of Europe website. This should give them awareness of the level of their oral performance in English. This information can be found on the Language Centre website, autonomous learning area <http://cla.unical.it>
